

ELEGANT MEDITERRANEAN BAY VIEW ESTATE

2120 Centro East, Tiburon \$4,500,000

A rare find! Newly built, architecturally exceptional with stunning European design. This 4 bedroom, 4 bathroom estate with slate roof and copper gutters, 12+ foot ceilings, and grand windows is the perfect combination of true custom design and outstanding architectural details with prominent water views from every room. Beautiful stone columns greet you at the entrance before driving into a European style motor court. Light filled rooms; open kitchen and family room with panoramic views of San Francisco and Angel island. Grand scale throughout with 12+ foot soaring ceilings, large outdoor terraces, gorgeous gardens, fountains, and level yard. Gourmet chef kitchen with Sub-Zero, freezer drawers, stainless Viking Range, and Italian cabinets.
